V/v: dịch vụ thẩm tra giá của SGS

Kính gửi:

- Cục Hải quan TP. Hồ Chí Minh;
- Cục Hải quan TP. Hà Nội;
- Cục Hải quan Đồng Nai;
- Cục Hải quan Bình Dương;
- Cục Hải quan Vũng Tàu
- Cục Hải quan Quảng Ninh;

- Cục Hải quan Lạng Sơn.

Công ty SGS là công ty của Thụy Sĩ làm dịch vụ trong các lĩnh vực cung cấp, thẩm tra các thông tin thương mại theo yêu cầu của khách hàng.

Vừa qua Công ty đã có buổi tiếp xúc và làm việc với Tổng cục hải quan để chính thức giới thiệu về dịch vụ của công ty. Theo giới thiệu tại buổi làm việc, công ty đã tiến hành điều tra một số trường hợp có nghi ngờ về trị giá khai báo cho Cục Hải quan TP. Hồ Chí Minh (các đơn vị có thể liên hệ trực tiếp với Phòng trị giá - Cục Hải quan TP. Hồ Chí Minh để tìm hiểu thêm các thông tin có liên quan).

Cách thức phối hợp điều tra, các nội dung về mức phí phải trả, quyền và trách nhiệm của mỗi bên tham gia hợp đồng, đề nghị đơn vị tham khảo tại “Thỏa thuận thực hiện chương trình giao dịch” gửi kèm theo công văn này”).

Với tình hình gian lận thương mại (đặc biệt là gian lận về giá) có chiều hướng gia tăng như hiện nay thì việc có thêm hệ thống hỗ trợ thông tin là cần thiết, tuy nhiên Tổng cục hải quan quan tâm tới tính hiệu quả của hoạt động. Vì vậy Tổng cục hải quan gửi tới các đơn vị các hồ sơ công ty SGS đã thực hiện theo yêu cầu của Cục Hải quan TP. Hồ Chí Minh để nghiên cứu và đưa ra ý kiến: Thông tin do công ty cung cấp có tính khả thi và có thể áp dụng có hiệu quả ở các đơn vị hải quan hay không? Tổng cục hải quan nên hợp tác với SGS về cung cấp thông tin? Ngoài SGS, đơn vị có thể cung cấp cho Tổng cục hải quan một số công ty khác cũng làm dịch vụ trong lĩnh vực cung cấp thông tin?

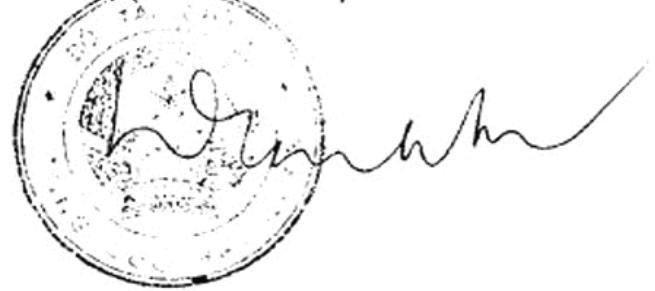

Tuy nhiên, cần lưu ý rằng, SGS chỉ là người cung cấp tin, còn việc quyết định sử dụng những thông tin đó như thế nào là công việc của cơ quan hải quan. Vì lẽ đó, SGS sẽ không tham gia vào bất cứ quá trình tố tụng nào tại Việt Nam để giải quyết các tranh chấp giữa cơ quan hải quan và người

nhập khẩu tại tòa án, trong một số trường hợp đặc biệt SGS có thể tham gia phiên tòa với tư cách người làm chứng nếu công ty xét thấy có đủ điều kiện tham gia và cơ quan hải quan phải chịu mọi chi phí đi lại, làm việc, phiên dịch...phát sinh do việc công ty tham dự phiên tòa.

Trường hợp cơ quan hải quan chưa hài lòng với kết quả điều tra của công ty thì công ty sẵn sàng điều tra bổ sung và hải quan phải trả thêm phí.

Đề nghị các đơn vị gửi ý kiến tham gia tới Tổng cục hải quan (Vụ Kiểm tra thu thuế XNK) trước ngày 20 tháng 5 năm 2006.

## Summary Report of Findings

**Importer:** Con Son Import Export Company (Cosimex)

**Exporter:** Nguyen Enterprises

**Exporter's Existence:** The existence of the exporter has been confirmed at the address stipulated on the contract of sale by the owner of the company, Mr Khanh Trung Nguyen. The exporter is not known as a dealer in motor vehicles and does not hold a franchise for the sale of Toyota vehicles in USA.

**Exporter's Confirmation of Shipment:** The owner of the exporting company has completed a Request For Information (RFI) in which he gives details of the exported goods, terms of sale etc. It should be noted that there are some contradictions between the contract of sale and the information given on the RFI, specifically as it relates to the condition of the goods. The contract of sale clearly specifies the vehicles as being 100 percent new whereas the RFI states that they are 2<sup>nd</sup> hand (used). Technically, they could be regarded as used as the exporter is not the originating dealer but is recorded with the US Dept of Motor Vehicles as the 1<sup>st</sup> owner of both vehicles. However, at the time of sale, both vehicles had recorded mileage consistent with delivery mileage so to all intents and purposes the vehicles are as new.

**Relationship between Buyer and Seller:** As far as we can ascertain, there is no relationship in the terms of Article 15 of the WTO Agreement on Customs Valuation. However, the name of the exporter would suggest some links to Vietnam.

**Origin:** SGS is satisfied that the origin of the goods is Japan and USA respectively.

**Value:** The findings of SGS in terms of the value are that sufficient evidence exists to doubt the truthfulness of the declared transaction value of the goods. There is some inconsistency between the documents obtained from the exporter and the contract of sale. This is both in terms of the condition of the goods (new versus used) but also in the description of the goods. The VIN given on the B/L indicates that the Toyota Sienna is not a CE model but an XLE Limited which is considerably more expensive than the CE model.

Based on the above, our opinion of the value which is based on a USA publication of new car prices to dealers is as follows:

Contract of Sale Value(CFR)	US\$25350.00
SGS Opinion (FOB)	US\$61,355.89
Freight charges approximately	US\$3480.00

SGS believes that the true transaction value of these vehicles is much higher than declared and therefore suspects that there has been some collusion between the exporter and importer in trying to evade duty on these vehicles.

**Bên nhập khẩu:** Công ty Xuất nhập khẩu Con Son (Cosimex)

**Bên xuất khẩu:** Công ty Nguyen

**Thông tin về bên xuất khẩu:**

Ông Nguyễn Khánh Trung, chủ công ty xác nhận địa chỉ của công ty như đã ghi trong hợp đồng. Nhiều người không biết bên xuất khẩu là đại lý xe máy và công ty không có nhượng quyền của công ty Toyota về kinh doanh xe máy tại Hoa Kỳ.

**Khẳng định của bên xuất khẩu:**

Chủ của công ty xuất khẩu đã điền vào Phiếu Cung cấp Thông tin (RFI – Request For Information) các chi tiết về các loại hàng xuất khẩu, các điều khoản giao dịch, vv. Nên lưu ý giữa hợp đồng và thông tin cung cấp trên phiếu có một vài mâu thuẫn nhất là về tình trạng hàng. Hợp đồng ghi rõ xe mới 100% trong khi đó phiếu điều tra thông tin lại ghi là xe đã qua sử dụng. Về mặt kỹ thuật, bên xuất khẩu không phải là người đầu tiên bán hàng nên họ đã coi số xe này là xe đã qua sử dụng. Nhưng Văn phòng Quản lý Xe máy Hoa Kỳ ghi nhận bên bán là chủ sở hữu đầu tiên của cả hai loại xe. Tuy nhiên tại thời điểm giao dịch, đồng hồ công tơ mét cho thấy cả hai loại xe này mới chỉ lăn bánh từ nơi sản xuất tới nơi bán hàng. Do vậy dù thế nào đi chăng nữa, tất cả các xe này đều là xe mới.

**Mối quan hệ giữa bên Mua và bên Bán:**

Chúng tôi có thể khẳng định không hề có quan hệ giao dịch giữa 2 bên như khoản 15 của hiệp định WTO về định giá thuế nhập khẩu theo qui định Hải quan. Tuy nhiên tên của người bán hàng cho thấy có liên quan đến Việt Nam.

**Xuất xứ hàng hoá**

SGS thấy nguồn gốc hàng hoá bắt đầu từ Nhật sau đến Hoa Kỳ.

**Giá trị giao dịch**

Về giá trị hàng hoá, SGS phát hiện thấy có đủ chứng cứ để nghi ngờ về tính xác thực của giao dịch này. Chứng từ bên xuất khẩu cung cấp và hợp đồng cho thấy có dấu hiệu sai lệch không chỉ về tình trạng xe (mới và đã qua sử dụng) mà còn về đặc điểm xe. Trên vận đơn có ghi xe Toyota Sienna không phải là đời CE, mà là XLE Limited. Đời này đắt tiền hơn nhiều so với CE.

Theo các dấu hiệu trên, chúng tôi thấy giá xe mới theo công bố ở Mỹ là

**Giá trị hợp đồng mua bán (CFR) 25.350 USD**

**Nhận định của SGS (FOB) 61.355,89 USD**

Chi phí vận chuyển : Khoảng 3480 USD

SGS cho rằng giá trị thực của giao dịch cao hơn nhiều so với con số khai báo và nghi rằng giữa bên bán và bên mua đã thông đồng để trốn thuế nhập khẩu.

## IMPORTANT NOTE ABOUT OUR FORMAT

---

The *New Car Cost Guide* is a vehicle valuation guide for new cars and light trucks, with issues published in January, March, May, July, September, October and November. Seven times a year you'll receive a comprehensive, updated book. And, no matter when you begin your one-year subscription, you'll always receive a total of seven issues.

Each issue provides complete coverage of virtually every model series on the U.S. market. The latest, most current version of pricing and equipment information for each model series is published in each issue, so you'll always have comprehensive information.

As a general rule, as soon as a new model-year vehicle is introduced, the new listing will replace that for the previous car-model year. For example, when 2004 Jeep Grand Cherokee prices are announced, the 2004 listing will replace the 2003 Jeep Grand Cherokee section of your book. Therefore, you may want to retain one or two back issues of the *New Car Cost Guide* for your reference after you receive the latest issue.

Our format provides separate listings for each model series of each manufacturer. All the costs you need to "price out" any given vehicle plus options are in one easy-to-use reference — to make your job simple. Turn to our Table of Contents on introductory page 3 to locate the specific model you're interested in.

**CREDIT UNION LOAN OFFICERS PLEASE NOTE:** Please do not advise your credit union members to call us directly at the *New Car Cost Guide* for car pricing information. Due to limited staffing and tight deadline schedules, we cannot possibly answer all the inquiries of credit union members. If a credit union member has a question about a listing in our *Guide*, or needs information on a model that has not yet been published, we ask that the credit union loan officer contact us for the information.

**It is our longstanding policy to release new car pricing information only to our direct subscribers.**

## IMPORTANT NOTE ABOUT OUR FORMAT

---

The *New Car Cost Guide* is a vehicle valuation guide for new cars and light trucks, with issues published in January, March, May, July, September, October and November. Seven times a year you'll receive a comprehensive, updated book. And, no matter when you begin your one-year subscription, you'll always receive a total of seven issues.

Each issue provides complete coverage of virtually every model series on the U.S. market. The latest, most current version of pricing and equipment information for each model series is published in each issue, so you'll always have comprehensive information.

As a general rule, as soon as a new model-year vehicle is introduced, the new listing will replace that for the previous car-model year. For example, when 2004 Jeep Grand Cherokee prices are announced, the 2004 listing will replace the 2003 Jeep Grand Cherokee section of your book. Therefore, you may want to retain one or two back issues of the *New Car Cost Guide* for your reference after you receive the latest issue.

Our format provides separate listings for each model series of each manufacturer. All the costs you need to "price out" any given vehicle plus options are in one easy-to-use reference — to make your job simple. Turn to our Table of Contents on introductory page 3 to locate the specific model you're interested in.

**CREDIT UNION LOAN OFFICERS PLEASE NOTE:** Please do not advise your credit union members to call us directly at the *New Car Cost Guide* for car pricing information. Due to limited staffing and tight deadline schedules, we cannot possibly answer all the inquiries of credit union members. If a credit union member has a question about a listing in our *Guide*, or needs information on a model that has not yet been published, we ask that the credit union loan officer contact us for the information.

**It is our longstanding policy to release new car pricing information only to our direct subscribers.**
