The eligible source countries referred to in sub-paragraph (3) of paragraph 2 of the Exchange of Notes shall be as follows:

all countries and areas except the Socialist Republic of Viet Nam.

3. Procurement

(1) The Grant and its accrued interest shall be used for the purchase of the products and the services referred to in sub-paragraph (1) of paragraph 2 of the Exchange of Notes with due attention to economy, efficiency and non-discrimination among the eligible source countries, unless otherwise agreed between the authorities concerned of the two Governments.

(2) In order to ensure compliance with such requirements, it is required that the Recipient employ an independent and competent agent for procurement of the products and services referred to in sub-paragraph (1) of paragraph 2 of the Exchange of Notes.

The Recipient shall, therefore, conclude an employment contract, within one month after the date of entry into force of the Exchange of Notes, with Japan International Cooperation System (hereinafter referred to as “the Agent”) to act on behalf of the Recipient in accordance with the Scope of the Agent’s Services as set forth in Appendix II.

(3) The said employment contract shall become effective upon the approval of the Donor in a written form.
